

# interTouch

Trusted by the world's leading hospitality brands, interTouch is the only partner for all your HSIA, IPTV, Casting, Entertainment, Passpoint, Managed Networks and Voice Assistant needs.

With installations in over 60 countries representing over 320,000 hotel rooms, we are the largest, leading global provider of integrated guest-facing technology solutions for the hospitality industry and beyond.

As an approved LAN Service Provider (LSP) with most major brands including Hilton, Hyatt and Marriott, we can support you with network design validation and UAC certification based on the operator brand standards.

# Why choose interTouch as your hotel technology partner?

## We have global reach and provide local support

We have been a trusted technology partner to the hospitality industry for over two decades. We are a global business that powers hotels around the world to deliver superior guest experiences. We do this through our local offices and teams on the ground that have deep market knowledge and extensive experience.

- » **30+** offices worldwide with local entities in the UAE, Egypt, Jordan, Morocco, Turkey and Saudi Arabia
- » Installations in over 60 countries, powering **1,300+** hotels, representing **320,000** guest rooms
- » Global team of **400** professionals that speak over **40** languages
- » Over **7 million** managed connections daily
- » 24/7 after sales support including dedicated Arabic customer service

## We support the connected guest

We enable hotel guests to connect and control their digital experiences throughout their stay through our suite of integrated, cloud-based guest-facing technologies for HSIA, IPTV, casting, entertainment, virtual in-room assistants and more.

### interTouch — CLOUD —

#### HSIA and Managed Networks

Secure and superior internet connectivity hotel guests deserve and expect

No matter how many rooms the hotel has, we cover all the property's internet connectivity needs.

### interTouch — PASSPOINT —

#### Secure Wi-Fi Authentication

A guest Wi-Fi experience that's like being at home

interTouch Passpoint enables instant and secure authentication each and every time a guest connects to a hotel network.

### interTouch — TELEPHONY —

#### PBX Solutions

A reliable cloud PBX service that offers significant cost savings

Offer reliable emergency calling options with high sound quality and location information to ensure guest safety in each hotel room for a fraction of the cost.

### interTouch — CAST —

#### Casting

A contactless and seamless entertainment experience

A cloud casting solution that transforms the hotel TV into an external screen from the guest's own device to watch their own content

### interTouch — ENTERTAINMENT —

#### In-room Entertainment

High-definition digital entertainment, advanced information, and guest communication services.

Our IPTV technology in-room entertainment solutions transform the traditional in-room TV into an interactive entertainment portal to elevate the digital guest experience

### interTouch — ASSISTANT —

#### Virtual Assistant

The world's first patented voice-based virtual assistant technology for hotels

Angie Hospitality in-room virtual assistants are the world's first cloud-powered interactive guest room assistants, created especially for hotels.

## We offer a one-stop-shop solution for all your guest-facing technology needs

From HSIA, IPTV, Casting, Entertainment, Passpoint, Managed Networks and Voice Assistants, we can support you with the designs and specifications for all your in-house internet and guest-facing technologies as one integrated solution, locally on the ground.

## We are trusted by the world's leading hotels and hospitality brands

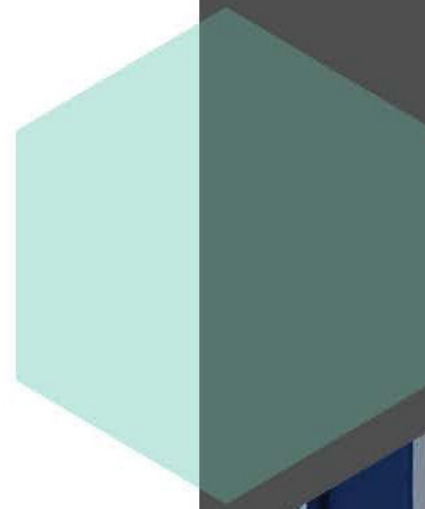

With a proven track record spanning two decades and

# 1,300+ hotels in over 60 countries

We are a trusted partner to the world's leading hotel operators.

We are proud to work with leading brands including Accor, Hilton, Hyatt, IHG, Kempinski, Kerzner, Mandarin Oriental, Marriott International, Melia, Radisson and Wyndham, amongst many others.

interTouch is an approved LAN Service Provider (LSP) with Hilton, Hyatt and Marriott.
